ABOUT ME

I'm a Professional Web Developer with expertise in React, React Native, Python, C, JavaScript, and NodeJS. I've tackled 100+ problems in Beecrowd and excel in Backend development with NodeJS, React Native for Mobile app development, and React for Web apps. I also specialize in Web Scraping using JS. I'm a dedicated, always eager to learn and collaborate.

WORK EXPERIENCE

Native app Development with Expo

Build 2 e-commerce-type apps for university projects with Firebase and Nodejs. Including with log-in system and authentication.

Restful API with Nodejs

Build restful API with Nodejs with authentication.

Problem Solving

More then 300 problems solved in different platform.
